

TRAINER PROFILE

Inderjeet Singh Sidhu

**MANAGING DIRECTOR & PRINCIPAL
CONSULTANT**

About Inderjeet Singh

Inderjeet is a 'hands on' People Development professional with regional experience gained in organising training for the manufacturing industry, certifications companies, logistics, healthcare, education, F&B, banks and government agencies. He is very comfortable handling small to large scale training operations in different environments. He has extensive experience in managing small and large scale trainings for participants as young as 12 and across junior and C-level management. Training and Development is his passion.

Professional Experience & Certifications

- Certified NLP Practitioner (ABNLP)
- Certified Timeline Therapy Practitioner
- Certified NLP Coach
- Masters in Business Administration (Leadership), University of Southern Queensland, Australia
- Business Process Reengineering expert
- Information Technology Solutions Consultant
- Team Building Facilitator

He is also a NLP Certified Practitioner, and Coach from the American Board of NLP. His hands on approach and entertaining training make him a very popular and sought after trainer. His knowledge of various age groups and industries coupled with his great sense of humour make his training sessions very effective and enjoyable. Inderjeet enjoys working with all areas and levels of a business and produces outstanding results, time after time.
